

Wednesday, October 14, 2026

09:00 – 17:00 h

Industry exhibition

09:15 – 09:45 h

Congress opening on the EUHA Live-Area stage

11:00 – 11:30 h

Get-together before the start of the specialist program

11:30 – 13:30 h

Knowledge symposium

11:30 – 12:15 h

DE *Dr. Peter Kreuz, SPIEGEL Bestseller Author*
“Rebel Mind: Listen to the future. Shape change.”

Opening
Keynote

12:15 – 12:45 h

EUHA sponsorship award ceremony

12:45 – 13:00 h

FDHA award ceremony

13:00 – 13:30 h

DE *Melanie Krüger, Dr., Hörzentrum Oldenburg gGmbH*
**“One Year of HörWerk – Establishment and Initial Experiences
of the Interdisciplinary Innovation Community”**

News from
the field
of hearing
research

13:30 – 14:00 h

BREAK

14:00 – 14:30 h

DE *Limberger, Annette, Prof. Dr. med., Aalen University*
“Improving hearing care for seniors in Germany”

Trends and
developments

14:30 – 15:00 h

EN *Fabry, David, Ph.D., Starkey*
**“Quantifying Real-World Hearing Aid Use: Clinical
Insights from Datalogging”**

Trends and
developments

15:00 – 15:30 h

DE *Stropahl, Dr. Maren, Sonova AG*
**“To address or to conceal: New insights into the experiences
of stigma among adults with hearing loss and their families”**

Trends and
developments

15:30 – 16:00 h

DE *Kreikemeier, Steffen, Aalen University*
**“Efficiency and Reproducibility of Intra-aural 3D Scans at
Different Scan Durations, and a Comparison Between Manual
Impression-Taking and Ear Canal Scanning”**

Trends and
developments

Wednesday, October 14, 2026

16:00 – 16:30 h

DE *Bürgin, René, Bürgin Hörerlebnis GmbH*
“When Zorro meets psychoacoustics? “Developed for practical use based on 30 years of professional experience”

News from
the field

16:30 – 17:00 h

DE *Roth, Sebastian, M. Sc., Offenburg University of Applied Sciences*
“Sound Localization in Unilateral Hearing Loss: Effects of Unilateral Hearing-Aid Use”

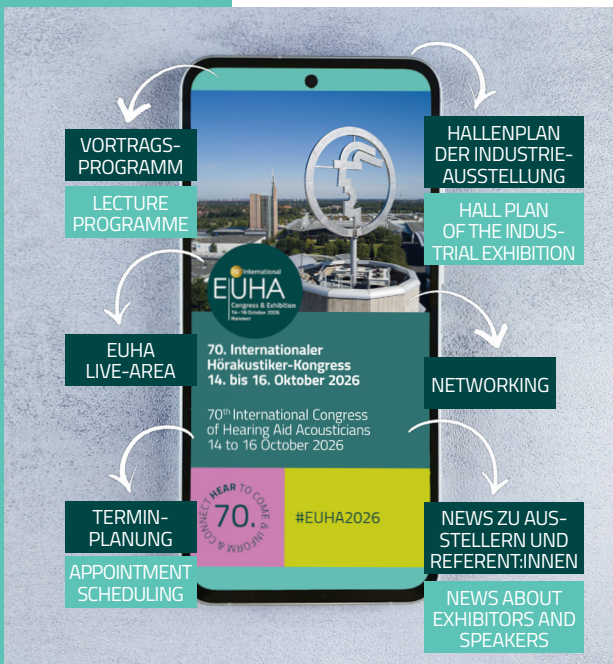

News from
the field
of hearing
research

17:00 – 18:00 h

Closing of day 1 of the congress on stage EUHA-Live Area

19:30 h

FGH Evening

EUHA APP 2026

With the app, you have all the information about #EUHA2026 at your fingertips.

For optimal planning of your visit and your daily companion.

*Available in all stores
from September 2026.*

Thursday, October 15, 2026

09:00 – 17:00 h

Industrieausstellung

09:30 – 10:00 h

DE *Husstedt, Hendrik, PD Dr., Deutsches Hörgeräte Institut GmbH*
“Soft speech in quiet: What gain is required to fully compensate speech intelligibility and listening effort?”

Hearing aid
technology

10:00 – 10:30 h

EN *Hribar, Joseph, Dr. Au.D., GN Hearing*
“Verification of Advanced Noise Reduction Algorithms in Hearing Aids”

Hearing aid
technology

10:30 – 11:00 h

EN *Kamkar Parsi, Homayoun, Dr., WSA*
“Novel Multi-Dimensional technology for Context-Aware Hearing in Real-World Environments”

Hearing aid
technology

11:00 – 11:30 h

DE *Latzel, Matthias, Dr., Sonova AG*
“Hearing Aid Noise Reduction Modulates Secondary Listening Performance During Driving”

Hearing aid
technology

11:30 – 12:00 h

EN *Dawood, Nausheen, University of Pretoria*
“Do Premium Hearing Aids Offer Better Outcomes Than Basic Models? A Systematic Review and Meta-Analysis”

Hearing aid
technology

12:00 – 12:30 h

EN *Quilter, Megan, Au.D., GN Hearing*
“Perceived Audibility of Competing Talkers Across Spatial Locations with Advanced Hearing Aid Processing”

Hearing aid
technology

12:30 – 13:00 h

DE *Meis, Dr. Markus, Hörzentrum Oldenburg gGmbH*
“Methodological Implications of the Minimal Clinically Important Difference in Questionnaires Used in Audiology”

Miscellaneous –
Corporate
management,
corporate
development

13:30 – 14:00 h

BREAK

14:00 – 14:30 h

DE *Hollfelder, Daniela, Dr. med., Lübeck University Hospital, ENT*
“Effects of Music Training via Direct Streaming on Music Perception and Speech Intelligibility in Cochlear Implant Users”

Cochlear
Implant
Fitting

Thursday, October 15, 2026

14:30 – 15:00 h

DE

Kinkel, Martin Dr., KIND GmbH & Co. KG
“Refining the candidacy criteria for cochlear implants: aspects beyond established audiometric criteria”

Cochlear
Implant
Fitting

15:00 – 15:30 h

DE

Meier, Siegrid Dipl.-Ing. M.A., University of Lübeck
“Standardized Digital Training for Newborn Hearing Screening: A Scalable Model for Pediatric Audiology”

Paediatric
audiology

15:30 – 16:00 h

DE

Fuchs, Michael, Prof. Dr. med, Rinneberg-Schmidt, Lissy & Willenberg, Michael, Dipl.-Kfm., HAVEX
“HAVEX - hearing professional and AVS (Hörwerk Community Project)”

Specialist hearing
care services

16:00 – 16:30 h

DE

D'Haese, Patrick Dr., MED-EL
“Building a hearing inclusive society through awareness, innovation and policy change”

Cochlear
Implant
Fitting

17:00 – 19:00 h

biha general meeting (for members only)

19:00 h

Congress meeting (EUHA, BVHI, FDH)
